Curriculum Vitae

Profile

I'm a final year (Bachelor) interior and architecture design student with passion and creativity. I have a strong and continuing desire to fulfill a lifelong dream in the field of design. My vision is to explore the characteristics of 2d/3d design through creative and constructive means, whilst working independently and in partnership. Now I am looking for a summer internship during June to September in 2019 and aim to have a continually evolving and challenging career in art and design.
